SURROUNDED BY MYSTERY!

A Great Mistake.

A recent discovery is that headache, dizziness, illness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerve force; that indigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these organs with nerve filaments. This is likewise true of many diseases of the heart and lungs. The nervous system is like a telegraph system, as will be seen by the accompanying cut. The little white lines are the nerves which carry the nervous force from the nerve centers to every part of the body, just as the electric current is conveyed along the telephone wires to every station, large or small. Ordinary physicians fail to regard this fact, instead of treating the mere symptoms, for the cause of the disease arises therefrom, where they treat the part affected.

Franklin Miller, M. D., L. B., the highly celebrated specialist and student of nervous diseases, and author of many noted treatises on the nervous system, has made the following statement, on his Restorative Nervine, prepared on that principle. Its success in curing all diseases arising from derangement of the nervous system is wonderful, as the thousands of unsolicited testimonies in possession of the company manufacturing the remedy amply prove.

It is now known that Nervine is a reliable remedy for all nervous diseases, such as headache, nervous debility, prostration, sleeplessness, chronic hysteria, sexual debility, St. Vitus dance, epilepsy, etc., etc. It is sold by all druggists, physicians, contractors, and others, through the Dr. Miller Medical Co., Rockford, Ill., on receipt of price \$1 per bottle, six bottles for \$5, express prepaid.

Restorative Nervine positively contains no opium or dangerous drugs.
